Attention Parents: Safety Issues

All parents are asked **NOT** to send their children to any athletic event without parent supervision. **THIS INCLUDES ALL HIGH SCHOOL AND JUNIOR HIGH EVENTS.** Please take into consideration the safety concerns of unsupervised children at these events. In addition, please monitor your children when you bring them to an event. If you leave them unattended, there remains a safety issue even if you are in attendance at the event.

Traffic & Student Safety

Please drive from west to east on Fifth Street, when you drop off your child on the north side of the building in the mornings. By driving west to east your child can get out of the vehicle without stepping into and/or crossing the street in traffic. Also, watch out for those children who either walk and/or ride their bikes to school. Please be aware of where the children are at all times while you are driving. Your cooperation in this matter is appreciated.
