

# LC Grizzlies **Pink Out**

Each and everyone of us has either had a family member or a friend that has battled cancer. The **Pink Out** Game gives us a chance to **SHOW OUR COLORS** in support of those who are battling or have conquered this awful disease. Proceeds of your donation will go to a 7th grade student at Altamont Grade School battling Stage 2 cancer. Thank you for showing your support as we try to support this family when we wear these on game night February 2, 2018.
