Be Courteous on
Social Media

We are asking parents and school supporters to be courteous and thoughtful when posting student pictures on social media. We have many students enrolled in our school who have asked our district NOT to publish or post their pictures. Many times at school functions and events parents take many pictures of their students and others. Please be considerate when publishing or posting pictures.

Bus Notes

Parents, this is a reminder that when a bus is stopped and has the stop arm out and flashers on – come to a complete stop and be on the lookout for students. Please note that this also applies even when the bus is unloading or loading at school.

Covid/Flu Season

Just a quick reminder not to send your student to school if they have a fever or have thrown up. They may return after 72 hours fever free with no medication. Please make special efforts to push handwashing with your children. Thanks for helping us keep all our kids well.

Winter Dress

As Kansas still has cold temperatures in March, please be aware of what your child is wearing to school. We will go outside for recess unless the temperature is dangerously low. Students need to wear a coat and hat during the winter months.

Kansas Career and College
Ready Standards

As part of the KCCRS, we are implementing two "Habits of the Mind" concepts every month. We believe that by teaching these concepts that our students will have the 21st century skills they will need to be successful. February's "Habits of the Mind" are: "Taking Responsible Risks." and "Finding Humor."

State Assessments

We will begin the performance parts of our state assessment this month. The window for the test is from April 1 to May 18th.
