### Bus Safety

**Thursday October 22nd we will celebrate Bus Driver Appreciation Day.** The students will do a special recognition for our Meadow View driver's during our morning breakfast session on this day. Please take this time to talk to your children who ride the bus about always obeying bus rules. Our bus drivers do a tremendous job of safely transporting students to and from school each day. It is very important that they are able to concentrate on the road and not be distracted from their driving. Any student misconduct, no matter how small it may seem, diverts the driver's attention away from the road and endanger all the students riding the bus. Parents please ask your children to follow their driver's instructions at all times.

### Kansas Career and College Ready Standards

One of the components of the KCCRS we are implementing is something called the "Habits of the Mind" or HOM. In September students were taught how to "Persevere" and "Manage Impulsivity". In October we will work on "Listening with Understanding and Empathy" and "Thinking Flexibly"
