

# Altamont Eagle News

April 2019

Thank you to all the people who purchased books during the Book Fair. We had a very successful Book Fair. The money raised allows AGS to purchase more books for the library and for the teachers to use in their classroom.

Kansas State Assessments are in full swing. Please be sure that your students are getting a good night's rest. Also, be sure that they are eating breakfast before they test. The brain needs food in order to think, learn and perform. Also, it is always a good idea for students to test with their class on the regular scheduled testing time, so try to avoid scheduling appointments on days your child is testing.

## IMPORTANT Dates
