

# Mrs. Heflin's 5th Grade News

## We are learning:

**Language Arts:** For the month of November we will be doing a novel study. The novel is titled *Hound Dog True* and will focus on a girl who moves to a new school. She tries to hide, but she finds out quickly that she needs to stand up for what she believes in and by doing that will maybe gain new friends.

**Math:** We are finishing up multiplying whole numbers with decimals, and we will soon start adding and subtracting fractions.

**Science:** We are spending time every week in the STEAM lab while working through life science.

**Social Studies:** We are focusing on geography, such as continents, countries, and earth's landforms.

## Important Reminders

11/9-- STEM Lab with  
Lisa Blair

11/10-- Chili Supper

11/14-- Late Start

11/10-- Late start

11/21- 11/23--

Thanksgiving Break

12/19-- AR POINTS  
DUE

## News

The Chili Supper and Basket Auction is fast approaching. Our class basket, along with 8th grade, is Life on the Farm. If you are able to donate any items that go along with day to day work on the farm, it would be much appreciated. Please have items here by Nov. 9th.
