

Mrs. Foster's  
6<sup>th</sup> Grade

XOXO

February 2019

STEM WITH GREENBUSH

**Curriculum**

**Science** – Students will be making a Topography Map this week to wrap up our Chapter on Maps.

**Social Studies** – We started a new unit this week on Ancient India. The students are still in the process of mummifying our potatoes.

**Math** – We will be having a test over proportions and percents this week. We are studying measurement conversions too.

**Language Arts** – We're doing close reading activities of short stories focusing on characters, plot, structure, & figurative language.

**Novel** – We started a new novel, Bridge to Terabithia. The students are excited to learn about the adventures the characters will experience.

*Valentines Day Party*
