

# Kindergarten News

February is already here. The year is going by so fast. We will be having our party for Valentine's Day on Thursday the 14<sup>th</sup> at 2:30. Ashley Muller will be the parent that will be organizing the refreshments for this celebration. All students will bring cards for their classmates. We do have thirteen children in our class. I will have them make a holder at school for their cards. Here is a list of students to use to fill out valentines.

Braelyn  
Harper  
Bayley  
Rope  
Kylee

Jon  
Josie  
Cayden  
Maggie

Brogan  
Gatlan  
Jaylie  
Colin

- If you have extra cards to use up there are lots of staff members that help us on a daily basis.

Mrs. Buchanan	Mrs. Rucker	Mr. Pierce
Ms. Cassie	Mrs. Angleton	Mr. Traxson
Karen	Deb	Malinda
Bernie	Merry	Ms. Deb
Judy	Denise	Chuck
Mrs. Agosto	Mrs. Wiley	Mrs. Allison

We had our 100<sup>th</sup> day of school on Wednesday. We did some special activities to celebrate being 100 days smarter. There are pictures on face book of a few projects.

The students have been busy learning how to use the iPads. We have done math and language arts lessons on IXL to review skills that we have been working on in class (counting one to one, number sequencing, vowels/consonants, and syllables). The plan is to use them once a week in the afternoon and then some different mornings for centers.

This month we will be doing dental health, President's Day, and Valentine's Day activities. In math we will still be working on numbers and counting to 100 by ones and tens. Next week we will start chapter 9 on 2-D shapes. Right now, in reading we are working on sight words, reading books, comprehension skills that include: main ideas, details, setting, character, etc.

Our class uses the STEAM Lab on Fridays. We have done many hands-on activities. The children have been introduced to the Lego Wall, Keva Planks, K'nex, using materials to build alphabet trees and Christmas trees, and the Hammering Kit/Bolt Builder Sets.
