## 7<sup>th</sup> Grade News

### BANQUET

Banquet is fast approaching. We have 25 days until the day. Thank you to all who have shown willingness to help bake, bring things, decorate, serve, monitor games and movie, and clean up. Together, we can accomplish much.

*Math -  
In Math, we are preparing for our State Assessments by reviewing the standards. We will have two more Wednesday quizzes. They are scheduled for Wednesday, April 3<sup>d</sup>, and Thursday, April 11<sup>th</sup>. State testing for Math will be April 16<sup>th</sup> & 17<sup>th</sup>.*

### SCIENCE

7th Grade Science is studying Ecosystems and the Interaction of Living Things.

### READING

We are building background and analyzing examples of argumentative essays. Students will begin writing their own argumentative essays next week.

### FIELD TRIP

On Wednesday, April 10<sup>th</sup>, we will be taking a field trip to the Kansas State Historical Museum in Topeka. We will leave at 6:00 a.m. and return around 5:00 p.m. I am looking forward to taking our class on this trip. They will need money to eat on for the day.

**Novels -**  
**Students have two more novels to read for the year. One is due this Friday and one is due on Friday, May 3<sup>rd</sup>. Please encourage your child to read their novels.**

### TRACK MEETS -

As a reminder, students who are in track are still required to complete any work assigned by teachers or that is due the following day. Please encourage your child to stay ahead on their work for track days.

### BANQUET WORK DAYS -

We have been doubling up on our work times so that we can get our lessons in and free up some time to work on banquet. Currently, we are working on Monday and Friday afternoons. There will be a couple of days that this will change. We may need to work afterschool during the week of banquet. We will see how we are coming along.
