

Kindergarten News

Our field trip to Greenbush is this Thursday, April 4th. We will be learning about Kansas weather and basic engineering. The children will need a sack lunch and drink.

Easter parties are planned for Thursday, April 18th at 2:20. I do ask that all students bring 12 plastic eggs filled with wrapped candy for our egg hunt. Also, the children will need to bring a basket to collect their eggs. Ashley Muller is the room mother for this party. She will contact parents for help with the refreshments.

We need snacks for April to go along with our afternoon milk/water break. If everyone brings one more snack, it will probably be enough to last through May.

The spring music concert is Monday, April 8th at 6:30 in the school gym.

Just a reminder there is no school on April 19th and April 22nd.

We are busy the rest of the year in Math learning about 3-D solids, sorting, measurement, money, and telling time to the hour.

Our class will be finishing up our journal writing and beginning book making. We will be authors and illustrators of our own books. The children are so excited about this writing process.

In reading we are working hard on our sight words and sight word books. Also, we are still working on segmenting and blending to figure out words. The students are learning about fluency as they read and comprehension.

This month we will be doing Easter and spring activities. Earth Day is in April. We will be learning about taking care of our planet.

Have a great week!!!
