Dear Parents,

In compliance with the requirements of the Every Students Succeeds Act, the USD 506 schools would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/ or paraprofessional(s). The following information may be requested:

- Whether the student's teacher—

  - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
  - is teaching in the field of discipline of the certification of the teacher.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

All parents have the right to request their child'/children's state assessment scores and they have a right to obtain the school and school district state report cards.

If you wish to request information concerning your child's teacher's and/ or paraprofessional's qualifications, please contact Tony Blackwell, Assistant Superintendent/Title I services director at 784-5326.
