

Our basket theme is “Lego”. Please be on the lookout for items for our basket. We couldn’t do this without the support of our parents. Thank you for all that you do to make the chili supper a success.

Quotes for the Month:

Success is the SUM of SMALL efforts, REPEATED day in and day out.

~R. Collier

Look for something positive in each day, even if some days you have to look a little harder.

EDUCATION is the most powerful weapon which you can use to Change the World.

~Nelson Mandela

Sometimes the right path is not the easiest one.

Whether you think you can or you can’t, you’re right.

~Henry Ford

Cue Party ~ The strike party is in the planning stages as I write. We will send a letter as soon as all details are confirmed.

Novel Reading – Students are required to read a novel every three weeks. The due dates were given to students at the beginning of the year and can be found on Google Classroom. Please encourage your child to be reading. There is one due this Friday.

Social Studies

Students are reading about the rights and responsibilities of citizens of the United States. We will be discussing their opinions and learning about the importance of the Bill of Rights.

English & Language Arts (ELA)

We will finish our unit on nouns this week and will begin verbs next week. Our class just finished reading, S.E. Hinton’s, The Outsiders.

Science

The students will use a Student Workbook that is very interactive throughout each lesson. Our first unit is covering The Characteristics of Cells. There will be several opportunities for hands-on learning throughout each unit. I am excited to have Science resources that are aligned with our new Next Generation Science Standards.

Math

Seventh graders will be taking their second chapter test next week. Remind them to study adding, subtracting, multiplying, and dividing rational numbers. Using the integer (positive and negative number) rules at home to practice will help with their test.
