

Fridge Facts

December 2-6

Spelling & Phonics

We are learning about words with the ee and ea vowel digraphs. Check out the spelling list for ways to study at home.

Test on Friday!

Language Arts

We will read an informational text called *Schools Around the World*. This text will help us with main idea and details, text and graphic features, and analyzing new information.

In writing we are learning about persuasive paragraphs. Students will look at examples and create their own new examples.

Upcoming Dates

Book Orders are due on Wednesday. Let me know if you'd like any items saved as gifts.

Math

We will begin to work through Chapter 5. Students are learning about two digit subtraction.

A large, stylized teal letter 'B' graphic is positioned on the left side of the page, partially overlapping the 'Upcoming Dates' and 'Math' sections.
