Christmas Party Help

Our Christmas party will be December 19 at 2:20. Our party help will be:

- Drinks: Vincent Mullin
 - Sweet Snack: Isaac Johnson
 - Salty Snack: Ila Tatman
 - Paper plates & napkins: Chloe Steelman
- Thank you for your help! Boys also need to bring a \$5 gift for a boy, and girls a \$5 gift for a girl for our class gift exchange. If this is a problem please let me know!

Guest Readers

If you were interested in coming to read a story to our class for our Countdown to Christmas with Reading, please let me know. We would love to have you come read to us! We are excited to have guest readers come visit our class.

We have been working on division in math. We started off our chapter on estimating quotients.

We then moved on to remainders and interpreting the remainder. We also learned about division and the distributive property, how to divide using repeated subtraction, dividing using partial quotients, and finally how to divide by placing the first digit.
