Chili Supper is a Huge Success!

Edna has once again made our annual PTO Chili Supper and Auction a huge success. The total profit was around \$16,611.00. Doors opened around 5:30 and served around 360 meals. The auction got started at 7:00 and drawing for baskets started around 7:30. We had lots of pies, cakes, and other items for the auction. There were silent auction items, Fun activities, and lots of community fellowship. We want to thank all who helped make the night a great success: all our sponsors, parents, teachers, students, and community members.

WILDCAT FAMILIES

By now you have probably heard something about our Wildcat Families. Labette County schools are committed to the social emotional learning of our students and has adopted “Families” in each of our elementary buildings. The USD 506 Social Emotional Learning Team believes in the value of interpersonal relationships. Research shows the more healthy connections and relationships a person has in his/her life, the happier and healthier we will be. Each family consists of one or two staff members as well as a student or two from each grade level. Our time together consists of team building, success sharing, and “getting to know you” activities. The families will stay a unit until 8th grade graduation with new additions from Kindergarten each year. It’s just one more way to reach the needs and maximum potential level of our students.

Geography Bee

Students in grades 4-8 will participate in the annual Geography Bee on Friday, Jan. 11th. Each grade will be represented by a maximum of six students. The bee will begin at 8:30 a.m. The winner of the bee will take a written test for the state. Should our entry do well on the written test, he/she will advance to the State Geography Bee held in April.

Semester Schedule and Changes

First semester ends December 20th. Second semester begins on Jan. 7th our first day back from winter break. Music and PE days will switch places from what it was in the first semester at the same time.

Christmas Program Reminder

Our Christmas program is fast approaching! The program is scheduled for Thursday, December 12th at 7:00p.m. It will be held in the Harrison Auditorium in Altamont. The Pre-School through 5th Grades will be presenting some fun songs to help get you in the holiday spirit. The 6th-8th Grades will be presenting the holiday play, “Karaoke Christmas.” The Fifth Grade and Jr. High Bands will also be performing during the evening's concert. This performance is part of your child's music and band grade so attendance is very important. If circumstances arise that your child will be unable to attend, please contact us before the program and your child will be given a make-up assignment. We are excited about this fun evening and are looking forward to seeing you there.
