**6th Grade Science** - We are finishing up our Water Cycle Unit and will move on to Geological Processes And History of Earth. We will have a short test over the Water Cycle early next week.

**6th Grades Social Studies** - We will be wrapping up our chapter over Mesopotamia next week and our next unit will be Ancient Egypt. (One of my favorites)

**6th Grade Math** - The Sixth graders will continue working on fractions and decimals. We will be adding algebraic expressions and equations soon. Students will be having the regular weekly quizzes beginning Wednesday, January 15th.

**6th Grade Reading** - Students are presenting their Idiom Slide Shows. We will be starting our new novel this week, Bud Not Buddy.
