Our class created hats to use on a desert island by focusing on what material would work the best to protect them from the sun.

In math we are learning how to add 2 digit and 3 digit numbers. We will be learning how to subtract them through the month of November.

We are practicing our reading to be able to read quicker and smoother.

Our class is finishing Little House and the Prairie and will get to try doing some pioneer chores and games to better understand the hardships they faced.

The kids had a great time at our school pumpkin patch. They learned about pumpkin life cycles, they got to try apple butter and they got to have a fun afternoon!
