Quotes:

“Do not go where the path may lead, go instead where there is no path and leave a trail”

-Ralph Waldo Emerson

“To step toward your destiny, you might have to step away from your security.”

Science - Students have started a lesson on Plant Structures. We will focus on the process of photosynthesis and cellular respiration with various activities. We will start our tower garden after Christmas break to reinforce their knowledge of the structures of the plant and its growth life cycle.

Reading - We are currently reading through "A Christmas Carol" focusing on characterization and literary devices. Novel #5 is due Dec. 17th.

Math – We are beginning our unit on Equations and Inequalities. We have also started Daily Math as a spiral review.

Social Studies – We are learning about Manifest Destiny, Westward Expansion, and the Forts of Kansas.

Novel – We are reading Steal Away Home as our class novel this nine weeks.
