Curriculum

Social Studies – We are continuing our unit on Mesopotamia. We will be learning about their social classes, economics, religion, and achievements over the next week or two.

Science – We have started a new lesson over Earth's Plates and will be learning how to analyze continental data, sea floor spreading, and plate motion over time.

Novel Study - We are starting Chapter 8 in our current Novel, The Golden Goblet. This is about a boy struggling to make his own way in ancient Egypt.

Math -6th Grade will be starting their study of Percents. During this unit,, students will learn how to convert percents to decimals and fractions. They will also learn how to find percents of numbers.

Reading -6th - We are beginning our novel study of Bud, Not Buddy. Our focuses are figurative language and using context clues.
