

February 2022

7th Grade News

Science - 7th Grade just finished their lessons on heredity with a Punnett Square Test and will be starting our next lesson on Asexual and Sexual Reproduction which just focuses on the area of identical offspring from Asexual reproduction and genetic variation in sexual reproduction.

ELA - We are currently in the middle of our novel study of The Giver. We are focusing on making inferences and using context clues to figure out unknown vocabulary.

Quotes:

"Show me your friends and I will show you your future."

-Unknown

"It's not a sign of weakness to ask for help. It's a sign of wisdom."

-Unknown

KateLynn
Lilly

Thank you parents
for sending items!

Math – 7th Grade is learning how to work with percentages. They are figuring parts of the whole, percent of a number, percent increase/decrease, and percent markup/discount.

Novel – We are finishing the final chapters of our novel, Rifles for Watie, which takes place in Kansas, Oklahoma, and Arkansas.

History – We have been learning to write solid claims in Chapter 6, Reforms Happen First in Kansas. They will be doing a full research project in Chapter 7, Kansas Heads Into a New Century.
