

**8th Grade**

**February**

**Science** – 8th Grade will have a test over the structure of an atom, Bohr Models, Isotopes, Valence Electrons, and Electron Dot Diagrams. Our next lesson will cover Molecules and Extended Structures.

**Math** – 8th Grade is working on Linear and Nonlinear Functions. Students are learning to analyze functions using graphical, tabular, and linear models. They are also creating models that align with given functions.

**Social Studies** – We are continuing our study of Westward Expansion.

**Language Arts** – We are continuing to read The Witch of Blackbird Pond.

## **News and Information:**

**Quiz Bowl Practice starts this week.**

**Quiz Bowl meets start next week.**

**Novel #7 is due this Friday, February 11th. Please encourage your child to be reading.**

**Valentine's Parties** – Our Valentine's Party will be Monday, February 14th at 2:30. We do not exchange Valentine's at this grade level. Please do not send any to school with your child.

**Book Fair** – The book fair will begin on Feb. 15th.

**Orientation** – We are planning for our first orientation to LCMS next Wednesday, February 16th. Hopefully, we will be able to go this time. Please have your child eat breakfast at home that morning as we will leave around 7:45 to get to LC on time. We will eat lunch at the high school and should arrive back at Edna in time for PE and Music.

**2/21 – President's Day – No School**

**Yearbook Sales** are going on now. If you would like to purchase a yearbook, please send money and the order form to Mrs. Foster.
