

7th Grade News

Banquet is fast approaching. Remember, banquet is next Tuesday, May 10th. We start promptly at 6:00 p.m. Please have 7th grade here by 5:40 p.m. to be in their spots. I will send home a worker list later this week with student/parent workers.

7th Grade - We are finishing up our Ecology unit with symbiotic relationships and sustainability factors on ecosystems. Then we will finish the year with classification, dichotomous keys, and diversity of living things.

7th Reading - We wrapped up our novel study of The Outsiders. We will read short stories for the remainder of the year. Our focus will be on making inferences and citing evidence in the text.

Math – We will work on 8th grade material for next year.

Social Studies – We are working on Soft Skills this week.

Trip on Friday to Air & Space Museum. Please see note that is coming home today.

QUIZ Bowl & Yearbook Trip scheduled for Thursday afterschool. This is tentative due to weather and the track meet. We are going to Bartlesville to Hide Away Pizza afterschool. Students will be bringing home a note.
