Thank a Bus Driver

National Bus Safety Week is October 17-21. All students and parents need to be aware of the "Danger Zone" around each bus. Be sure to remind your student to never walk near a bus when it is loading or unloading as there are many blind spots the closer a person is to the bus. Students will be reminded throughout the year of our bus riding rules by administration and teachers and it is appreciated when you also take time to talk to your student about the safe way to ride (remaining seated, facing forward, if talking use a quiet voice and no talking at railroad crossings). Parents, please remember to refrain from calling your route driver's cell phone during the time they are doing their routes. Please contact the bus barn at 620-784-5412 if you need to get a message to your child's driver during route time. Also, it should be noted the national winner of the School Bus Safety poster contest was AGS 8th grader, Elly Han. Below is her award winner National Poster. It can be seen at <https://www.napt.org/nsbsw>
