

Mrs. Foster's
6th Grade

October 3rd, 2022

Halloween Party - OCTOBER 31ST

Drinks - Mason Alumbaugh
Treats - Lauren Ames
Treats - Brynlee Barnes
Treats - Brentley Barnett
Paper Goods - Mrs. Foster

If you are unable to provide your item above, please contact me and I will check to see if someone can trade with you. If you are not signed up and want to send treats, you are more than welcome!!!

There will be a costume parade down main street of Edna. We will **NOT** be gathering in the gym as we have in the past and again this year parents will not be able to enter the building for parties or to dress your child for the parade. Costumes must meet school handbook guidelines. Please either send the treats to school with your student or drop them off at the office. Thanks!

Curriculum

Science - 6th Grade is finishing up our Water Cycle, Wind, and Currents unit. They will test next week.

Social Studies - We are currently learning about the first human civilizations.

English Language Arts - We are continuing our grammar review. This month we will be focusing on adjectives, adverbs, prepositions, capitalization rules, and commas rules.

Math - Working with integers.

Novel - We are still reading on the Egypt Game.

Congratulations

SADIE KIMREY-- STUDENT OF THE MONTH

Students working together as an early civilization gathering water, building a shelter, and providing enough food for their group within a limited time.
