Curriculum

Science – The student will be finishing the last lesson over Weather & Climate this week. We will review and test next week.

Social Studies – We just started a new unit about Mesopotamia. This unit has lots of projects and interactive activities and the students and I are looking forward to completing it. Hopefully, we will wrap this up before Christmas Break.

Math – 6th graders will be testing on Chapter 3 over Rates and Ratios this week. Before Christmas Break, we will study and complete Chapter 4 over Percents.

Language Arts –We will finish our novel study of Number the Stars this month. Our grammar focus is commas rules and capitalization..

Novel – We will finish the Egypt Game this week and take an AR comprehension test.
