

NEWS FROM OUR class

DATE: January 6, 2023 EMAIL: dcarrico@usd506.org

Social Studies - We continue to wrap up our novel which ties in directly to the Civil War and the differences between the two armies.

We will also be starting our study of Kansas from 1870 to the 1900's. The changes that happened and the people that settled here.

Science - We are finishing sexual and asexual reproduction. Next week, we will begin matter and energy.

Math - We will be working on Ratios and Proportions. Students will also continue to work on one and two-step equations.

BANQUET -

The 8th graders have chosen the theme, "Hollywood - Red Carpet." We will begin the planning process soon. The banquet is scheduled for TUESDAY, MAY 16, 2023. This is different than in year's past when it was usually on a Friday.

Reading - We are working through short stories and articles from the Scope Scholastic magazine. The first story we are going to read is about surviving natural disasters.

NOVELS are due January 20th.
