

Valentine's Day Party: Our party will be on Tuesday, February 14. Our party helpers are:

- Drinks: Elizabeth
- Sweet Snacks: Gatlan
- Salty Snacks: Bailey
- Paper Plates & Napkins: Kaloura

Regions of the United States

We have been working on learning about the different regions of the United States. So far, we have covered the Northeast, Southeast, and Midwest regions. We are currently finishing up the Southwest region. State location, land and water, climate, products and natural resources, landmarks, and culture are some of the topics we cover.

We are working on chapter 9 in our math books. This chapter covers multiplying whole numbers and fractions. We will identify fractions as a sum of unit fractions, write fractions as a sum of unit fractions, find the product of a whole number and a fraction, and solve problems using fractions.
