BUILDING RESPONSIBILITY

Help your child keep track of things –

Elementary students are still developing their ability to store information. So, they forget a lot. Instead of taking over their duties, try these ideas:

- **Write down task.** List and post your child's responsibilities, chores and schoolwork.
- **Notice success.** Tell your child that you admire his/her efforts!
- **Establish routines.** This will help your child remember what to do and when to do it.
- **Organize belongings.** Have your child put key items in the same place every day.
- **Show confidence.** Send the message, "I know you can do this. I believe in you."

Kindergarten Round-up Reminder

We are still looking for students who will be attending Kindergarten at Edna next year. This year our **Kindergarten Clinic is scheduled for Friday, April 14th, from 12:00 to 3:30.** If you have a child or know of a child that will be coming to Edna next year, please contact the school at 922-7210. It is very important for you and your child to attend this clinic.
