OUR LEARNING

focus...

Reading- We are focusing on text and graphic features and working really hard at taking notes on a story.

Math- We are finishing multiplication of whole numbers and getting ready to start multiplying with decimals.

Then, we will move to long division.

Science- We are working through our unit on matter. We will start talking about physical changes and how they are used everyday.

Social Studies- We are getting ready to start learning about Native Americans.

-Students will have assigned IXL for reading and math every week, as well as Weekly Geography.
