- 7– End of 3rd 9 weeks
- 8– No School
- 8– Happy Birthday, Gatlan!
- 11-15– Spring Break
- 29– No School

OUR LEARNING

focus...

Reading– Our reading module is called Above, Below, and Beyond. Our stories will be about space and discoveries. We will focus on summarizing and text structures.

Math– We will start working on understanding volume and classifying two dimensional shapes.

Science- We are finishing up earth science while focusing in on the water cycle, spheres of the earth, and landforms.

Social Studies– We are working through the lead up to the American Revolution.

We will be doing more intense test prep and review of past chapters all month.

Reminders

State assessments are coming. We will test 6 days in April. Please make sure your child gets plenty of rest and eats a good breakfast. Also, please remind your child to bring home his/her water bottle to sanitize.
