

3rd Grade News for the week of 4/1 - 4/5:

- Language Arts State Assessments this week!
 - We will test on Thursday and Friday.
 - Make sure students eat a good breakfast and get a good night's sleep.
 - Send your good luck notes before Thursday if you'd like to do so.
- We will NOT have spelling this week as we prepare for testing.
- We will continue to review math chapters to prepare for math state assessments in a couple weeks.
- Thank you so much to the families that helped with this class party and for everyone sending eggs. The kids had a great time!
- We are running low on water bottles if anyone can donate a case, that would be helpful!
